By: Keith Urban

Intro: (on 4 strings) D-- A--

Asus-- A-- G-- D

G D

Well, I know there's a reason

G D

And I know there's a rhyme

G D/F#

We were meant to be together

Em7 - Asus

And that's why

G D

We can roll with the punches

G D

We can stroll hand in hand

G D/F#

And when I say it's forever

Em7 - A7

You understand

That you're always in my heart

D/F#

You're always on my mind

But when it all becomes too much

D/F#

You're never far behind

And there's no one

Bm

That comes close to you

A E2/G#

Could ever take your place

G

'Cause only you can love me this way

I could have turned a different corner

G D

I could have gone another place

G D/F#

Then I had never had this feeling

Em A7

That I feel today, yeah

And you're always in my heart

D/F#

Always on my mind

When it all becomes too much

D/F#

You're never far behind

And there's no one

Bm

That comes close to you

A E2/G#

Could ever take your place
